## **The Life Cycle of a Department Chair (New Directions for Higher Education, No. 126)**

This monograph identifies, examines, and analyzes selected issues related to the career development of the department chair with a special focus on how colleges and universities can assist faculty in preparing themselves for this role, and how chairs can be supported during their term of service. Chapters examine how chairs can continue to develop their skills while serving in this leadership role, and how they can prepare themselves for academic life after they conclude their administrative duties as chair.

This is the 126th issue of the Jossey-Bass quarterly report series *New Directions for Higher Education*.
