## The Mark of the Beast Revelation 13: Identifying the Beast with the Number and the Mark Ezra Celestin

Christians view the mark of the beast as something futuristic. The receiving of the mark of the beast commands the wrath and indignation of God; and the consequences are severe. Many Christians has already accepted the mark of the beast; unbeknownst to them. They do not have a clear vision as to whom or what is the beast. Each denomination has their interpretation of the beast and how and when it will manifest. The word says, And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb.

Revelation 14: 9, 10.

Many Christian denominations believe the prophecy points to the papacy as the beast. However, in scripture, the Papal system has never been a beast, is not a beast and will never be a beast. To call that system the beast is to take the word of God on a very long stretch. This horn functions both politically and as a Christian Church. It persecuted and killed any Christian who disagrees with its dogmas. The word says the Saints shall be given into his hand until a time and times and the dividing of time and he would come to his end unto the end. Nowhere in scripture is it indicated that this horn power will regain its dominion to persecute the saints of God as it did for over twelve hundred years. Then who is the beast? This book has the answer.
