Understanding the Roots of Suffering-the First Step Toward Freedom

What are the ingredients for a life of genuine happiness? According to Thich Nhat Hanh, happiness only arises through a deep understanding of the roots of suffering-and through the cultivation of joy, love, and compassion that comes with daily practice of mindfulness and meditation. Offering in-depth instruction in applying foundational Buddhist principles backed by modern science, he provides inspiration and support for healing the habits that lead to suffering and opening to the miracle of life in the here and now.
