## **Keys for Living Single (Keys For...)** Myles Munroe

In *Keys for Living Single*, Dr. Munroe describes how singleness—as we define it—is a myth. He explains the true nature of singleness and how it enables us to become everything God designed us to be: “If a state of singleness means ‘to be unique and whole,’ then to be totally single should be every Christian’s number one goal.” Develop a wholeness and completeness that will define and guide you for the rest of your life as you fulfill your singular purpose in the world—single or married.
