## **O Pioneers!** Willa Sibert Cather

Willa Cather (1873-1947) is famous for her novels set on the Nebraska prairies and in the Southwest. Her novel 'O Pioneers!' in 1913 made her famous.

The Bergsons are a family of Swedish immigrants in farm country near fictional town of Hanover, Nebraska, at the turn of the 20th century. Alexandra Bergson inherits the family farmland when her father dies, and she devotes her life to making the farm a viable enterprise at a time when other immigrant families are giving up and leaving the prairie. A romantic relationship develops between Alexandra and family friend Carl Linstrum and another between Alexandra's brother Emil and the married Marie Shabata.
