An excerpt from the book:

While many will claim various quarterbacks as the greatest of all time, no other name comes up more often than Peyton Manning. Simply put, nobody can argue that his record proves this status. He has received five Most Valuable Players in the NFL during the regular season, which is the most received by any player. He also currently holds the most passing yards and total passing touchdowns than any other quarterback in history. He runs a no-huddle offense like nobody else's business. Additionally, he was able to turn around Indianapolis Colts' losing streak only after playing in his second season with the team. All but two NFL seasons, he has been able to successfully make it into the post season and ended up winning a super bowl. Nobody can argue that Peyton is simply the all-time greatest quarterback to wear an NFL jersey. Peyton

Manning is acclaimed to harness a passion and competitiveness for the sport of football greater than anyone has ever seen. In fact, many believe that he is compulsively obsessed with winning. Growing up with a father who played professional football as an NFL quarterback with the New Orleans Saints for most of his career, along with having two brothers that were also extremely passionate about football—Peyton was practically bred into the sport. Even at the early age of three, Peyton was already learning how to throw a football. Even his younger brother Eli Manning is a professional quarterback for the New York Giants. Football is in Peyton's blood, to say the least.
