Trial of the Major War Criminals before the International Military Tribunal Volume 7 (Trial of the Major War Criminals before the International Military Tribunal Volume VII) International Military Tribunal

Trial of the Major War Criminals before the International Military Tribunal

Nuremberg, 14 November 1945 - 1 October 1946

New Format

From this volume

"On 3 November 1943, 18,400 people were shot in the camp; 8,400 came from the camp itself, and 10,000 were herded there from the city and other camps."

I omit the next sentence.

"The shootings started early in the morning and ceased late in the evening. The SS brought the people, stripped naked, to the ditches in groups of 50 or 100 men., They were packed into the bottom of the ditch face down and shot with automatic rifles. Then a new group of people were piled on the corpses and shot in the same manner; and so on until the pits were full."

This is Volume 7 of a 42-volume series, This volume contains over 550 pages and is the official record of the trial of the major civilian and military leaders of Nazi Germany who were accused of war crimes. The accused were: Hermann Wilhelm Göring, Rudolf Hess, Joachim von Ribbentrop, Robert Ley, Wilhelm Keitel, Ernst Kaltenbrunner, Alfred Rosenberg, Hans Frank, Wilhelm Frick, Julius Streicher, Walter Funk, Hjalmar Schacht, Gustav Krupp von Bohlen und Halbach, Karl Dönitz, Erich Raeder, Baldur von Schirach, Fritz Sauckel, Alfred Jodl, Martin Bormann, Franz von Papen, Arthur Seyss-Inquart, Albert Speer, Constantin von Neurath, and Hans Fritzsche. The International Military Tribunal, under the jurisdiction of the Allied Control Authority for Germany, directed the publication of this series. The London Agreement of 8 August 1945 established the tribunal, which was composed of one member and an alternate from each of the four Allied countries: the French Republic, the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland, and the United States of America. English, French, German, and Russian were the languages used throughout the hearings. Documents entered into evidence were reproduced in this series only in the original language, but as the result of the absence of a Soviet editorial staff, none of the Russian-language documents were published.
