As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring and also

can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want.
