Children of Mother Earth Gary Sprague

With his marriage falling apart, small business owner Jake Gray takes a weekend trip to the White Mountains of New Hampshire. While there, he is introduced to the Children of Mother Earth, a self-reliant commune that bans all modern technology. The group exhorts peace and free love, holding to the belief that technology promotes lies and deceit. At first, Jake feels as though he has landed in paradise. But as summer changes to fall, peace and love turn to deception and murder, and Jake finds that paradise is not as it appears to be.
