SEARCHING FOR MOORE – Book 1

I lost the love of my life when she disappeared without even a goodbye.

It was the 80's – there was no internet, no Google, no cell phones.

If you wanted to disappear, you could.

And she did.

She crushed my soul.

A friend just told me he saw her on Facebook.

And now I'm a keystroke away from asking her the question that's haunted me for two decades.

“Why did you leave me?”

Two decades after she broke his heart, sexy entrepreneur Schooner Moore uncovers the truth and betrayal his life has been built on when he Facebook friend requests college love, Mia Silver. Determined to win Mia's love once again, Schooner embarks on a life-altering journey that could cost him everything.

MOORE TO LOSE – Book 2

Continuing the fight for their happily ever after that began in Searching for Moore, Schooner Moore and Mia Silver struggle to overcome the ghosts and baggage they accumulated during their time apart.

Exploring the missing 24 years when they were separated, Moore to Lose follows Mia's journey from heartbroken teen to kickass businesswoman to her emotional reunion with Schooner and the exploration of the love that was ripped from them.

But is their love really strong enough to overcome the damage of those missing 24 years or will they

continue to be ripped apart by pasts that can't be changed?

MOORE THAN FOREVER – Book 3

Is the love they always dreamed of enough?

Continuing the emotional journey of love and betrayal that began on a college campus in Searching for Moore and turned their worlds upside down in Moore to Lose, handsome, California entrepreneur Schooner Moore and sharp and sassy, New York advertising agency owner Mia Silver continue to be confronted with the harsh reality of the remnants from the lives they lived apart for 24 years.

Now, Schooner Moore and Mia Silver face the ultimate challenge - were they really meant to be together or will their pasts continue to tear them apart?

On the heels of the birth of their newborn son, Nathaniel, Schooner and Mia must decide if their love and loyalty to one another is strong enough to learn to grow together as a couple or if the life they always dreamed of sharing was better left as a teenage fantasy.

Julie A. Richman's latest work, Bad Son Rising, releases September 12, 2014.
