Pussy Power (FOR WOMEN ONLY Book 3) Lanie Stevens

Women have been lucky enough to be born with “the power of the pussy” so why do we give it away so easily? I suggest that you read "Pussy Whip" Proven, Powerful "Secret Technique" Controls Your Man before you even begin this book. The "Pussy Whip" book will teach you a technique that will ABSOLUTELY make your man do what you want him to do...when you want him to do it. The most powerful, yet simple technique that you can learn. After you learn the technique, and the background, please read the second book in the series "How To Make Him BURN With Desire--Only for YOU". It will take the technique you learned in the first book and expand on it. It is how to make any man you meet desire you and only you. Do you want ANY man to desire you and think about you whenever you want him to? Read the book!

This book, "Pussy Power - How to Make Him (and YOU) Happy" will give you advice on keeping your power, self-esteem and "upper hand". Now that you have learned how to make a man love you, think of you, desire you and be at your "beck and call" you don't want to lose the power. All three books are designed to empower WOMEN! Whether you are in a relationship, looking for love or are married... this book will give you tips and advice on how to keep your power. It is the "law of attraction" on steroids!

It is my goal and passion to assist all my “sisters” in getting the man of their dreams under their spell. It is a spell that can't be broken unless YOU decide you don't want him anymore. These books have nothing to do with using what's between your legs to attract or keep a man. The books have EVERYTHING to do with using what's between your ears because that is where your ability lies.

I hope you enjoy the books and will take a moment to write a review. Although I receive many emails, that I personally answer daily, I would love to receive feedback here so it can be shared. “Pussy Power” to all my sisters!
