## **Set Free From Darkness: (A Memoir)** Susan Klarkowski-Rasmussen

In 1987 I had dreams of marriage and a family. I had a wonderful husband, a beautiful daughter and a nice home. I wanted to know the God that could create a child so perfect. I began exploring my spiritual options. While researching New Age philosophies I would go through mental illness psychosis leaving me with the worst fear I could ever know. I was afraid of my thoughts and myself. With misdiagnosis and failed hospitalizations I ended up taking the life of my 10-month-old child. Set Free From Darkness will take you from tears to victory. I set out “to know the God that could create a child so perfect” and He answered my prayer but in a much deeper more complex way. He loved me enough to allow my heart to be broken so I could begin a journey to learn to love and forgive.
