## Therapy as Social Construction (Inquiries in Social Construction series)

`An interesting collection of the state of the art of social constructionism and therapy, and a major contribution to reflection on therapeutic theory and practice' - *Changes*

`The chapters are interesting as windows into wider debates beyond therapy to those within the human sciences over the organization of meaning and change in culture... the value of this book is that it makes it possible for the reader to step back and think that therapy may mean different things to different communities, that therapy is not the touchstone but only one of many social constructions' - *British Psychological Society Counselling Psychology Review*

This volume explores the excitin
