1 Samuel (Reformed Expository Commentary)

Richard D. Phillips

1 Samuel (Reformed Expository Commentary) Richard D. Phillips

David is more than a great hero, a man of faith, and a model for Christians to follow. He is one of the most important Old Testament types of Jesus Christ. It is as an anointed one—called and provided by God to lead Israel that David plays his chief role in redemptive history and makes his distinctive contribution in preparing God's people for the Anointed One, the Messiah who comes to rule and to save.

Two other significant figures—Samuel and Saul—appear in 1 Samuel. Samuel, an epochal figure whose significance equals that of Joshua, guides Israel out of the chaotic period of the judges and serves the coming of the Davidic kingdom. Saul, an alter ego first to Samuel and then to David, personifies the idolatry and unbelief that plague Israel throughout the Old Testament. The ways in which he contrasts with Samuel and David provide valuable spiritual lessons. The lesser characters in 1 Samuel are hardly incidental—Eli the corrupted priest, Hannah the tearful believer, and Jonathan the faithful friend, to name just three.

As are all the books in the Reformed Expository Commentary series, this exposition of 1 Samuel is accessible to both pastors and lay readers. Each volume in the series provides exposition that gives careful attention to the biblical text, is doctrinally Reformed, focuses on Christ through the lens of redemptive history, and applies the Bible to our contemporary setting.
