Some of the strangest and most intriguing stories, fascinating to book lovers, are found in the field of literary fraud. These include forgeries, hoaxes, false memoirs, fake discoveries, travel to nonexistent locales, plagiarism and related crime and mischief. Fiona: Mysteries and Curiosities of Literary Fraud and Folly, a new annual publication in book format, focuses on that field from its ancient roots to modern manifestations. Articles in the first edition explore aspects of literary fraud, hoax or foolishness regarding the Dead Sea Scrolls, John Paul Jones, Wyatt Earp's wife Josie, George Washington, the undecipherable Voynich Code, proving ownership of rare books, theft of public documents, and several other subjects. Fiona is an on-going journalistic enterprise, meaning it is not an academic or professional journal but is written and edited for all readers who may find these investigations and discoveries entertaining and enjoyable.
