Tapping the tremendous healing power of Qigong and the expressive arts, this beautiful book invites the reader to contemplate the continuum of living, dying, and renewal within this life and beyond. The stories, Qigong meditations, and journaling/art processes, including collage and maskmaking, are invitations for you to engage them for your own healing, transformation, and wisdom.

Authors, artists, healers, and teachers of Qigong and art, Elise and Kaleo Ching draw on their 23 years of experience working with others on their paths of personal transformation to present an approach to living and dying that is saturated with wisdom, compassion, and understanding. Through their work, the authors have witnessed many personal journeys of dying, transformation, rebirth--facing terminal illness or loss of a loved one, letting go of old lifestyles and embracing new, connecting with past lives and future dreams. The stories and processes in this book will inspire a wide range of people interested in using Qigong practices and meditations, journaling, and art for self-cultivation, mindfulness, spiritual awareness, and healing: artists, clergy, spiritual seekers, psychotherapists, hypnotherapists, social workers, chaplains, hospice workers, teachers, students and practitioners of transformative, shamanic, and healing arts.
