Betty is having a really hard time getting over her recent breakup with her boyfriend. After a nap where she dreams he is there with her, she can't stand it anymore, and starts to explore herself for the first time. Her roommate, Kelly, arrives and is shocked to discover her masturbating. Embarrassed but curious, Kelly asks her what it's like to have an orgasm. Shocked, Betty agrees to help her, on one condition, since she is not a lesbian, they can't touch each other. As they both get excited, boundaries disappear as Betty lends her friend a helping hand to finally cum. A ten thousand word story of mutual masturbation, and first-time lesbian sex between two hot brunettes.
