Anne F. Hyde

Empires, Nations, and Families: A New History of the North American West, 1800-1860 Anne F. Hyde

“Ingenious. A magnificent scholarly achievement. A sweeping new narrative account of [western] history. A book to ponder and plunder.”

—Virginia Scharff, *Western Quarterly Review*

“Not only well researched and presented but instantly absorbing.”

—Adrienne Caughfield, *Journal of American History*

Pulitzer Prize nominee and winner of the Bancroft Prize—historical writing’s most prestigious award—*Empires, Nations, and Families* is an epic work of American History that fills in the blanks on the map of the American West between 1800 and 1860. Historian Anne F. Hyde—author of *An American Vision: Far Western Landscape and National Culture* and co-author (with William Deverell) of *The West in the History of the Nation*—tells a riveting true story of Native Americans, entrepreneurs, fur trappers and fur traders in a vibrant “wilderness” to which Daniel Boone himself was a Johnny-come-lately.
