Latin American Science Fiction: Theory and Practice

Latin American Science Fiction: Theory and Practice

Combining work by critics from Latin America, the USA, and Europe, *Latin American Science Fiction: Theory and Practice* is the first anthology of articles in English to examine science fiction in all of Latin America, from Mexico and the Caribbean to Brazil and the Southern Cone. Using a variety of sophisticated theoretical approaches, the book explores not merely the development of a science fiction tradition in the region, but more importantly, the intricate ways in which this tradition has engaged with the most important cultural and literary debates of recent years.
