“I have read Patterson, Clancy for years, but this is just as an exciting thrillride as any of them, Mr. Acciaoli has a real winner here and I can't wait for the next one.”

"This is the second book I have read by Mr. Accioli. His writing is fast paced, witty, loaded with sarcasm and action packed. I suggest you not pass this book up before reading his other books. Quite frankly, it's that good. "

Troy McCoy, owner of “Caught In The Act Detective Agency”, is a quick-witted private investigator making a decent living and quite content catching cheating spouses in the act.

Unknowingly Troy is drawn into the world of Juan Morales, leader of the international “Memoria” drug cartel who is obsessed with the theft of the U.S. government’s top secret ALTERED IDENTITY technology on behalf of a menacing terrorist group.

Troy is also drawn into a deadly, loving relationship with federal agent Ally Clipper.

You will be drawn into Troy McCoy’s world featuring peculiar characters, a story with many unexpected twists and, at times, zany conversations packed with innuendo and sarcasm.
