Andrew Murray's devotional warmth and Brother Lawrence's practical mysticism are combined in one challenging volume. Editor L.G. Parkhurst has taken Murray's classic, *The Secret of the Abiding Presence*, and added the insights of Brother Lawrence's bestseller, *The Practice of the Presence of God*, updating them for today's reader.

Murray's and Lawrence's burden was to give the believer a tool to expand his prayer life beyond the limits of merely verbalizing needs to actually *practicing the presence of Christ* on a moment-by-moment basis.

The thirty-one devotionals are comprised of chapters from Murray's original book summarized and given practical application by the writings of Brother Lawrence. Each devotional begins with comments on a specific topic by Murray, then Lawrence's commentary on the subject concludes the devotional.

A unique devotional handbook that deserves a wide audience in this newly edited format.
