It was the sort of magic that follows Oliver around. Other schools have famous kids but Belroy Elementary in Bentwood has a true hero. Besides saving a firehouse mascot, he sees monsters. His dad, sister, and friends don't believe him but they play along. Oliver is, after all, an eleven year old boy and has a vivid imagination. When he told Dad that he noticed a new little blue sun in the sky, Oliver's imagination became too vivid. Dad was worried with good reason. Two years ago, the sighting of a blue sun led to tragic news. Join Dad and Oliver as they search for answers, family healing, and so much more! A delightful tale of luck, love and lake monsters set in our own magical North American world. Raise the sails and don your eye patches, as we discover that the Great Lakes are swarming with pirates, boogeymen, and a whole host of fantastic things! OLD FLAMES AND HEROES is a new contemporary fantasy novel from Global eBook Award-winning author Mord McGhee. The whole family will enjoy this swashbuckling tale of love, luck, and lake monsters.
