This book contains The War Planners: Episodes 1 through 4 A Chinese invasion is coming. A CIA operative in Shanghai transmits two earth-shattering revelations to his contacts in Langley, and then goes missing. First, the U.S. government has been infiltrated with Chinese spies. Second, an inner circle of Chinese leaders have set in motion plans to do the unthinkable - to invade the United States of America. Lena Chou is one of the few U.S. officials who knows the truth. She must put together a top-secret task force to help America's government prepare for what will come. Now, in order to covertly plan the U.S. defense, Lena has gathered a Red Cell, a group of experts that will plan how China could best attack it. David Manning is one of those experts. After he is abruptly taken to the covert island base where the Red Cell is being held, Lena presents the group with evidence of China's imminent attack. But while the Red Cell plans for war, David suspects that something about this gathering of minds is terribly wrong...
