**Paul Lopez:**

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the

library or make summary for some book, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this [(Visual Techniques for Developing Social Skills: Activities and Lesson Plans for Teaching Children with High-functioning Autism and Asperger's Syndrome)] [Author: Rebecca A. Moyes] published on (May, 2012) can make you truly feel more interested to read.
