Wool Omnibus Edition (Wool 1 - 5) (Silo series) Hugh Howey

This Omnibus Edition collects the five Wool books into a single volume. It is for those who arrived late to the party and who wish to save a dollar or two while picking up the same stories in a single package.

The first Wool story was released as a standalone short in July of 2011. Due to reviewer demand, the rest of the story was released over the next six months. My thanks go out to those reviewers who clamored for more. Without you, none of this would exist. Your demand created this as much as I did.

This is the story of mankind clawing for survival, of mankind on the edge. The world outside has grown unkind, the view of it limited, talk of it forbidden. But there are always those who hope, who dream. These are the dangerous people, the residents who infect others with their optimism. Their punishment is simple. They are given the very thing they profess to want: They are allowed outside.

What the press is saying:

Boing Boing's Official Review: "This story is terrific. I was completely immersed, watching Howey slowly paint a picture of a society gone wrong through the eyes and discovery of some truly compelling characters."

Wired.com's Official GeekDad Review: "Howey is among a growing list of authors who are making successful careers of publishing without the assistance of agents and traditional publishing houses. The traditional argument has been that if a book couldn't find a publisher it probably wasn't worth reading. However, just as iTunes changed how consumers found music and the way in which bands made their bread, ebook readers, and in particular the Kindle, are changing the ways in which authors find their readers and make a living. All of this means the old assumptions about indie books no longer hold true, and readers need to be prepared to adjust their expectations accordingly. The Wool Omnibus is a great book and deserves recognition as a full fledged contribution to the science fiction genre."

It is most important to arrange you to ultimately make your knowledge are still revise. Let's try to choose correct ways for you.

Kara Hogan:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Wool Omnibus Edition (Wool 1 - 5) (Silo series) can make you experience more interested to read.
