Note: Intended for readers 18 & over. Its said that confessing, unburdens the soul. But what if, in doing so, the act of release causes many lives to be in jeopardy of intense scrutiny. Rochelle Faircrest takes the idea of 'bearing all' to heart and nothing is held back, every sorted detail is given in six installments. The whole erotic truth will be known because true names are withheld. Do you dare find out if you have the ability to keep the secret?

Installment 3 - Rochelle Faircrest is tired of licking her wounds and is now ready to take on the adult life of male/female relations. Problem is, she doesn't want to belong to any one person again and there are just too many tasty men to chose from. Ro loves that the men she's interested in, didn't turn into females on her; forcing her to pick one, when she wants all. Ro finds a select number of able bodied males, who are fine with not being her only. There's no conflict between Ro and her sexual playmates, as long as they get to sample the hot, velvet wetness housed between her thighs. Ro reminisces about how she met all eight of her stiff ones and the pleasure she received from their capable hands.
