Catharsis Noorilhuda

Ten year old Daniel has been missing for more than a week. His family and the police have all but lost hope of finding him alive. Then a strange old man enters the precinct at the 99th Avenue and declares he knows where the boy is - and who he's with. The lead detective on the case, Aurora Fox, is skeptical. Is the hemophiliac puppet master, Maxwell Caine, part of the puzzle or the solution - and why does he look so dolled up?

Dark tale of a tough-as-nails detective, a curious old man and a persistent district attorney - all trying to catch a pedophile.....a serial killer.

Fear is relative.
