Can a modern wife be submissive to her husband?

In her highly anticipated sequel to *My So-Called Life as a Proverbs 31 Wife*, author Sara Horn takes on one of the most widely debated subjects for a Christian wife?marital submission.

What does biblical submission look like for wives today? And why is *submission* viewed as such a dirty word by so many women and men in our culture, including Christians? Can a happily married couple live out the biblical model of submission and be the better for it?

Horn takes on a one-year experiment to seek answers to these questions and to explore what it means to be submissive as a wife and "helper" to her husband. The answers?and her discoveries?may surprise you.

This unique, entertaining, and thought-provoking personal account will challenge women to throw out their preconceived notions of what a submissive wife looks like and seek fresh leading from God for their lives and marriages today.
