## **She Went to the Field: Women Soldiers of the Civil War** Bonnie Tsui

This exciting new volume profiles several substantiated cases of female soldiers during the American Civil War, including Sarah Rosetta Wakeman (aka Private Lyons Wakeman, Union); Sarah Emma Edmonds (aka Private Frank Thompson, Union); Loreta Janeta Velazquez (aka Lieutenant Harry T. Buford, Confederate); and Jennie Hodgers (aka Private Albert D. J. Cashier, Union). Also featured are those women who may not have posed as male soldiers but who nonetheless pushed gender boundaries to act boldly in related military capacities, as spies, nurses, and vivandieres ("daughters of the regiment") who bore the flag in battle, rallied troops, and cared for the wounded.

Examining the Civil War through the lens of these women soldiers who fought in the conflict offers valuable insight on existing historical work. This volume will acquaint readers with these women, offering in-depth biographies and behind-the-scenes information. While drawing from recent academic work, *Women Soldiers of the Civil War* is a lively text geared toward the general-audience reader.
