The Will To Win: Leading, Competing, Succeeding Robert Herjavec

In his bestselling business book *Driven*, Robert Herjavec, the co-star of CTV's *Shark Tank* and former co-star of CBC's *Dragons' Den*, urged his readers to embrace risk, take control of their lives and stay true to their visions. Now, Herjavec pushes his readers even further toward greatness.

Known for his honesty, integrity and powers of persuasion, Herjavec never fails to reach for the highest rung on the ladder. In *The Will to Win*, he shares some of his own secrets for greatness, whether it's knowing when to be aggressive (and when not to be), when to talk and when to listen, or when and how to ask the right questions. And he reminds us that we all have the same 24 hours a day in which to maximize our future—it's how we spend those hours that counts.

Whether you are seeking to build the next big communications technology company, become the most respected teacher in your education system or make a lasting impact as an artist in your field, the most important decision you can make, according to Herjavec, is to reject mediocrity. Drawing on anecdotes from his own life and from the lives of celebrity friends such as Oprah, Georges St-Pierre and Celine Dion, he delivers valuable lessons that will guide readers to greater happiness and success.
