Bog Bodies Uncovered: Solving Europe's Ancient Mystery Miranda Aldhouse-Green

The grisly story of the bog bodies, updated via details of archaeological discovery and crime-scene techniques

Some 2,000 years ago, certain unfortunate individuals were violently killed and buried not in graves but in bogs. What was a tragedy for the victims has proved an archaeologist's dream, for the peculiar and acidic properties of the bog have preserved the bodies so that their skin, hair, soft tissue, and internal organs—even their brains?—survive. Most of these ancient swamp victims have been discovered in regions with large areas of raised bog: Ireland, northwest England, Denmark, the Netherlands, and northern Germany. They were almost certainly murder victims and, as such, their bodies and their burial places can be treated as crime scenes. The cases are cold, but this book explores the extraordinary information they reveal about our prehistoric past.

Bog Bodies Uncovered updates Professor P. V. Glob's seminal publication *The Bog People*, published in 1969, in the light of vastly improved scientific techniques and newly found bodies. Approached in a radically different style akin to a criminal investigation, here the bog victims appear, uncannily well-preserved, in full-page images that let the reader get up close and personal with the ancient past. 78 illustrations, 15 in color

This great information can certainly drawn you into completely new stage of crucial pondering.

Christopher Small:

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's soul or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case.

As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Bog Bodies Uncovered: Solving Europe's Ancient Mystery can make you feel more interested to read.
