Einstein in His Own Words Anne Rooney

Einstein In His Own Words collects wisdom and insight straight from the mind of the most famous genius of the 20th century. Read Einstein's thoughts and writings on a variety of subjects, including relativity, black holes, atomic energy, time travel, and more.

Insightful quotes include:

It is always delightful when a great and beautiful idea proves to be consonant with reality.

When I am judging a theory, I ask myself whether, if I were God, I would have arranged the world in such a way.

Great spirits have always encountered violent opposition from mediocre minds.

With full-color photographs and illustrations throughout, this is a lovely tribute to one of the greatest minds in modern science.
