Super Hidden Picture Mazes Conceptis Puzzles

The good times that began with last season's *Hidden Picture Mazes* continue! These are no ordinary mazes: they've got something extra, because every time you solve one, you also create a picture. Kids start out as usual: finding and tracing a path from the maze's entrance to the finish, while avoiding false leads and dead ends. Then, when they take a pen or marker and make a thick line over that correct path, an image will emerge—including a cat, a skier, a house, and a palm tree. Every one is a super surprise.
