The God Question: An Invitation to a Life of Meaning J. P. Moreland

A leading evangelical thinker offers this brand-new way of addressing life's most important questions: Does God exist, and can we know Him? J.P. Moreland, distinguished professor of philosophy at Talbot School of Theology, abandons traditional didactic apologetics and entices skeptics and dissatisfied believers into a conversation about the emptiness and anxiety so many feel today. He invites them to the abundant life Jesus offers but that so few seem to be experiencing.

Moreland shows that people are created by a benevolent God and given a life-enhancing purpose. He empowers readers to...

- overcome obstacles to faith, including questions about science and religion
- embrace an enticing view of Jesus and the kingdom of God
- replace unhelpful images of God with the truth

Readers will find practical and effective ways to experience intimacy with God, an effective life of prayer, and a confident hope in life after death.
