Here Are the Important Features of This eBook Bible

- * Authorized King James Version
- * Pure Cambridge Edition
- * Designed and tested to work best on a Kindle Paperwhite.
- * Kindle's "Go to Table of Contents" feature includes all books of the Bible in an expandable submenu.
- * Easily select a specific chapter of any given Book.
- * Easily search for every verse using the following format: [Book][Chapter].[Verse]
- * ge1.27 => This will find Genesis 1:27
- * he12.1 => This will find Hebrews 12:1
- * Each verse only shows the verse number at the beginning of the verse. Other eBook Bibles show the book, chapter, and verse number for their verse search feature. I thought it was too distracting when reading.
- * Easily navigate to the next and previous chapter.
- * Easily identify what book and chapter you are on while reading on a Paperwhite
- * Every verse is on its own line and not grouped in paragraphs like in modern Bibles. There is nothing wrong with paragraphs, I just find it easier to memorize scripture in the traditional 'verse-per-line' layout.
- * The Table of Contents inside the Bible only displays the 66 books in a clean list. From here you can easily reference each books "shortname". This is useful for searching.

I hope this eBook Bible will be useful for you and that in your reading your hearts might be comforted.

"Thy word have I hid in mine heart, that I might not sin against thee." - Psalm 119:11

"Thy word is a lamp unto my feet, and a light unto my path." - Psalm 119:105
