Hope to Die: by James Patterson (Alex Cross, Book 22) | Summary & Analysis

This is a Summary & Analysis of Hope to Die. Patterson's novel Hope to Die: The Return of Alex Cross, brings back the brilliant detective and forensic profiler in search of the one thing that he holds closest to his heart: his family. The kidnapper, a known mass murderer and serial killer named Thierry Mulch, is living under a false identity, stalking and infiltrating the home and life of Cross. Thierry's warfare against Cross is a psychological one; a nightmare whose ending will culminate in the torture and murder of each member of the Cross family. All is geared towards one goal: convert Alex Cross into a murderer.

Hope to Die draws its plot from the conflict between detective Alex Cross and doctor Marcus Sunday. The vendetta that drives the plot stems from a deontological perspective: Mulch wants Cross to detour from his ethical schema and devoid himself from any system of value that may render him vulnerable to emotional connections.

You also get the following in this Summary & Analysis of Hope to Die:
