Love Her Madly (Rock Royalty Book 2) Christie Ridgway

Years ago, Rolling Stone magazine dubbed the nine collective children of the most famous band in the world “Rock Royalty.” Now all grown up, the princes and princesses are coming back to L.A.’s Laurel Canyon to discover if love can be found among the ruins of a childhood steeped in sex, drugs, and rock ‘n’ roll.

“Bad twin” Bing Maddox has wanted his brother’s BFF Alexa Alessio for months, but he’s stayed away because she’s too hearts-and-family for his jaded soul. Ever since a good deed turned to a dark regret, he’s buried his guilt in a series of forgettable flings with women who wanted nothing more. But when delicious Alexa needs a plus one to some upcoming wedding events, he gives in to his urges and goes all out in pursuit of getting her into his bed.

Alexa Alessio doesn’t know how it happened—one moment she was being smart and keeping herself separate from seen-everything, done-everything, wildly sexy Bing Maddox and the next she was agreeing he could be her date. Sure she wants back-up when her cousin marries Alexa’s own stolen ex, but Bing’s made it clear he wants her on her back. Her heart says yes—but her common sense tells her it might be the very thing broken when commitment-phobic Bing moves on. She can have him, but can she hold him?
