We Are Americans: Undocumented Students Pursuing the American Dream William Perez

"This fascinating look at the next generation of undocumented immigrants unpacks the complexities of the debate and puts unforgettable human faces to its subjects. Perez, a developmental psychologist and professor in Southern California, plumbs the stories of students living with the constant threat of deportation for an answer to the question, 'What does it mean to be an American?' No matter what one's position is on legalizing immigrants, this collection of inspiring, heartbreaking stories puts a number of unforgettable faces to the issue, making it impossible to defend any one side in easy terms or generalities."--Starred Web Pick of the Week, Publishers Weekly

"Professor Perez paints a portrait of undocumented students that is as inspiring as it is tragic. We ARE Americans emphasizes the need to rethink current immigration policies to be more inclusive and welcome immigrants as equal citizens who contribute to making America great."--California State Senator Gilbert Cedillo

Through the inspiring stories of 16 students?from seniors in high school to graduate students?William Perez gives voice to the estimated 2.4 million undocumented students in the United States, and draws attention to their plight.
